

## List of experts

Within the framework of the Biosafety Council, which is the Belgian advisory board on genetically modified organisms, different working groups have contributed to the development of this document. The secretariat and the co-ordination of these working groups was carried out by the Section of Biosafety and Biotechnology (SBB) of the Scientific Institute of Public Health.

### **Molecular characterisation of transgenic plants**

Geert Angenon (VUB), Marc Boutry (UCL), Marc De Loose (CLO), Jacques Dommes (Ulg), Godelieve Gheysen (UG), Pierre Van Cutsem (FUNDP), Nathalie Verbruggen (ULB)

Secretariat: Adinda De Schrijver

### **Toxicological aspects of genetically modified foods and feeds**

Marie-Paule Delcour (WIV-ISP), Martine Duverger (WIV-ISP), Benoit Nemery (KUL), Hadewijch Vanhooren (KUL), Jan Willems (UG)

Secretariat: Ellen Van Haver

### **Allergenic aspects of genetically modified foods and feeds**

Pascal Cadot (KUL), Jan Ceuppens (KUL), Jean Duchateau (ULB), Didier Ebo (UA-UIA), Anne-Marie Kochuyt (KUL), Jean-Marie Saint-Remy (KUL), Wim Stevens (UA-UIA)

Secretariat: Ellen Van Haver

### **Nutritional aspects of genetically modified foods**

André Huyghebaert (UG), Michel Paquot (FUSAGx), Greet Vansant (KUL)

Secretariat: Ellen Van Haver

### **Nutritional aspects of genetically modified feeds**

Eddy Decuypere (KUL), Remi De Schrijver (KUL), Leonel Fiems (CLO), Robert Renaville (FUSAGx), Marcel Vanbelle (UCL)

Secretariat: Ellen Van Haver

**Acknowledgements:**

This work was carried out on the demand of the Secretariat of the Biosafety Council and supported by the Special Budget 1520 of the Scientific Institute of Public Health.

Ellen Van Haver would like to thank the experts of the Working Groups of the Biosafety Council for their contribution in writing this report, as well as all her colleagues of the Section of Biosafety and Biotechnology who helped make this report possible.
